Product Description

Ariens RAZOR REFLEX Dual Blade - 21" Self Propelled Push Mower - 911614

Powerful Engine – Briggs & Stratton[®] EXi875 190cc engine with Mow N' Stow[®] brings commercial power to tough jobs, never requires an oil change, and starts every time.

REFLEXTM Speed Control Technology – Match your pace to the mower between 1 and 4 MPH, ensuring a seamless experience between you and the machine.

Dual Blade – The dual cutting blades atomize your grass, while the LaserEdge[®] EversharpTM technology on the primary blade stays sharp longer than traditional blades, self-sharpening as the machine is used.

Vertical Storage – Easily flips upright for smaller storage footprint, blade maintenance, and easier cleaning. Durable deck – 14 gauge steel deck provides durability, while the 5.5" deep deck design ensures superior mulching performance.
